

Fender Player Jaguar®

Model #: 0146303513

Sleek and stylish and with a voice that's a modern twist on our classic sound, the Player Jaguar has a uniquely slinky playing feel. It encourages you to play differently, to reach for new chords and melodic twists and to explore new sounds and tonalities. Decked out with spotlight-ready chrome accents, it has the authentic sound, features and feel that's inspired countless artists to write new songs and create new genres of music.

Features

- Alder body with gloss finish
- Player Series humbucking bridge pickup and one single-coil Jaguar neck pickup
- Slide switch to coil-split humbucking bridge pickup
- "Modern C"-shaped neck profile
- 9.5"-radius fingerboard

NEW PICKUPS

Designed for authentic Fender tone—with a bit of an edge—our Player Series pickups keep a foot in the past while looking to the future.

JAGUAR TREMOLO BRIDGE

The tremolo bridge can be used to create pitch effects ranging from subtle to radical, letting you add a cool personal touch to your music.

COIL-SPLIT SWITCH

The slide switch selects the outside coil of the humbucking bridge pickup, unlocking classic single-coil tone.

22 FRETS

Adding another fret lets you bend the highest D up to an E, giving you access to four octaves of musical possibilities.

MORE TRADITIONAL BODY RADII

The Player Jaguar body is hand-shaped to original specifications.

"F"-STAMPED NECK PLATE

Each Player Jaguar includes an "F"-stamped neck plate, leaving no doubt as to the instrument's pedigree.
