

# Player Telecaster®

## Real Deal Sound

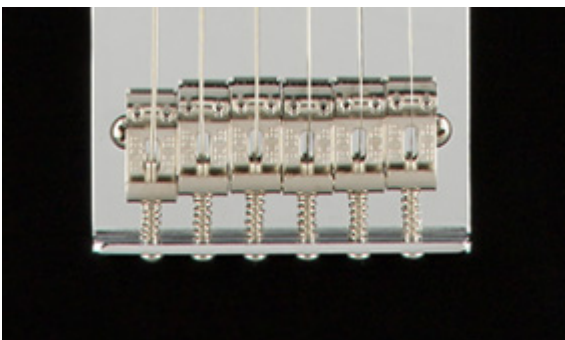

Bold, innovative and rugged, the Player Telecaster is pure Fender, through and through. The feel, the style and, most importantly, the sound—they're all there, waiting for you to make them whisper or wail for your music. Versatile enough to handle almost anything you can create and durable enough to survive any gig, this workhorse is a trusty sidekick for your musical vision.

## Features

- Alder body with gloss finish
- Two Player Series single-coil Telecaster pickups
- "Modern C"-shaped neck profile
- 9.5"-radius fingerboard
- String-through-body bridge with bent-steel saddles

## PLAYER SERIES PICKUPS

Designed for authentic Fender tone—with a bit of an edge—the Player Series pickups keep a foot in the past while looking to the future.

## BENT-STEEL BRIDGE SADDLES

This string-through-body Telecaster bridge features bent-steel saddles to add a bit of zing to your tone.

### **“Modern C” NECK PROFILE**

This neck is designed for comfort and performance, with a “Modern C”-shaped profile and a smooth back finish—ideal for almost any playing style.

### **22-FRETS**

Adding another fret lets you bend the highest D up to an E, giving you access to four octaves of musical possibilities.

### **MORE TRADITIONAL BODY RADII**

The Player Telecaster body is hand-shaped to original specifications.

## **"F"-STAMPED NECK PLATE**

Each Player Telecaster includes an "F"-stamped neck plate, leaving no doubt as to the instrument's pedigree.
